UK RELEASE DATE 12.09.2022

Paul Moran's sounds are known worldwide, the sensational Key's and Flugel Horn player and accomplished Jazz musician (and... Van Morrison's Musical Director no less!), has been wowing us with his talents for a number of decades both on stage and on the airwaves.

Aurora 5 is his classy new lounge project, offering something a little different, and seeing Paul draw on his jazzier roots, crafting a dreamy artist album aptly titled, "Ibiza Chill Vol.1".

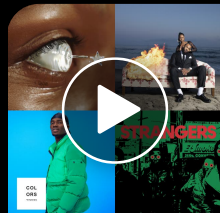

Chock-full of easy-going grooves for the perfect wind down, the album weaves between the worldly, jazzy and Balearic, with each blissful composition flawlessly performed and produced by Paul, and also features the talents of Snowboy (percussion) Jo Harrop (Vocals). Soothing music at its very best!
